**A**fter months of controversy, sex addiction rehab and all kinds of other shit, we've got the pix that will make you spill your spuzz all over the place! Of course, we're talking about everyone's favorite golfer and the holes he liked to putt his pecker into. Hey, we're not judging anything or anyone, but we gotta say this: Holly Sampson would have no problem getting 99.99% of the rest of the world's men into a similar predicament. Just imagine her unzipping your fly, opening her mouth, and begging you to fuck her. Now, if you tell us, "Well, I would never!", then you probably have your wife/girlfriend standing right beside you. In that case, good for you, you morally superior pillar of the community. A good choice. Well played, sir. Hey, when she splits, think it about it again. You'd fuck her, right? RIGHT! Yeah, we would, too!

# MY SEXY SECRET!

## "CUM-PANY PICNIC!"

Last month my company held its annual picnic in the park. It was a great day filled with food, volleyball, and of course, Amber, the girl I've had a huge crush on for months. She looked tremendous wearing a denim skirt, a white t-shirt that hugged her tiny breasts, and sneakers. It was a far cry from her normal office garb that made her look like a stuffy librarian.

After flirtatiously teasing each other all day, we decided to buddy up for the water balloon toss. You better believe I filled those balloons beyond capacity to ensure they popped all over her tits. My plan worked great! Soon her thick nipples were jutting out of her wet t-shirt and the soggy material was clinging perfectly to her skin. Just seeing the shape of her breasts had my boner bulging in my pants. I wanted Amber so fucking badly; I thought my cock would burst!

Once she caught sight of my prick, she motioned for me to meet her behind a huge oak tree. When I got there, Amber yanked my pants down and started working my hard cock into her mouth. She stroked my balls and stuck her fingers up my ass, while I grabbed her by the back of the head and milled my cock into her mouth. "I've wanted to suck you off for so fucking long," she said while shoving my dickhead into mouth until her cheek rounded out with my meat.

After about ten minutes of intense oral action, my balls began to tighten and my cock began to spray. To my surprise, Amber kept my cum in her mouth and gargled it around before swallowing my load whole. There was no need for lunch after that! **"Party Poker" - Pennsylvania ♣**

**HOLLY  
SAMPSON**

Here's Holly Sampson, one of Tiger's many tails, long before the legendary King Of The Links drove his way into her little pink trap. If there's anything else to say about the entire situation, it's this: she's one smoking hot piece of ass who loves the dick! ♣

# SHOOTING STARS JESSE JANE

**BIRTH DATE:** July 16  
**BIRTH PLACE:** Fort Worth, Texas  
**HEIGHT:** 5'3" **WEIGHT:** 107 lbs.  
**VITAL STATS:** 34D-22-33

By Emma Edwards

With a glamorous image and penchant for sex that will undeniably go down in history, Digital Playground's Jesse Jane remains a country girl at heart who is just as comfortable watching a ball game and drinking beer as she is blowing cocks and sucking slit. With a passion for action, Jesse's up to bat, knocking it out of the ball park in this candid interview exclusively for you!

What did you do before you became a porn star? I was a Hooter's Girl. I managed a few stores and was the regional training coordi-

nator. I was also a bikini model for Hawaiian Tropic. I've always been an exhibitionist. I love attention and want people to see me as a sex symbol. So look at me—look at me now!

When did you decide that your calling was to be a porn star? I've always been a very sexual person. When I was 22 I decided that being a Hooter's girl and a bikini model weren't sexy enough. I decided that I wanted to be a porn star. I contacted Digital Playground and sent them pictures. They immediately flew me to Los Angeles.

I got a contract right away without them even seeing me naked or having sex. It was cool and I felt so lucky.

Ideally, how many times a day would you like to have sex?

I have sex at least once a day and I masturbate a couple times a day. If I'm not busy then I'll fuck more. Honestly, if I go for one day without sex I'll turn into a mean bitch and everything will frustrate me. (laughing)

What are the advantages of being Jesse Jane?

I get recognized. I don't have to wait in lines at clubs.

People are pushed aside to let me through. I get all access backstage passes at rock concerts. I also get free clothes and make-up. Being Jesse Jane certainly has its perks.

Are you the seducer or the seducee?

Seducer. I'll give you a look with my eyes that lets you know you will be my next meal. I will hunt you down. Sometimes on set I get in trouble for having sex with people I'm not supposed to. Sometimes I just can't help myself. When I'm done with sex, I'm done! There are no attachments. We can fuck

and then I'll say, "Hey that was fun. See you later!"

How has being a contract girl for DPG changed your life?

I love it. I'm treated like a princess. I wouldn't have gone with any other company. I get to go to exotic locations and shoot very high quality productions. I know I'm taken care of no matter what. I also have the best marketing and publicity from this company and the recognition of the mainstream market. I'm always going to be the Digital girl!

Would you consider yourself bisexual?

Oh yes. I've slept with women way before I ever got into this business. I still do off camera. Sometimes I'll go out and pick up hot chicks but most of the time I just fuck my friends.

What's the sexiest part about a person?

The eyes, with out a doubt! People tell a complete story with their eyes. The eyes have a glow and they speak volumes. I can tell if a person is hot and horny for me. I love it. Eyes are the best. I can even tell if a guy has

what it takes to fuck me just by the way he looks at me. Wow, this is really making me wet!

Can you tell us details about your favorite scene ever?

It was with Janine in Pirates. Our sex was so hot it won an award for Best Girl/Girl scene. I also won an award for my Girl/Girl scene with Belladonna in the sequel for Pirates called, Pirates 2: Stagnetti's Revenge. Both were the roughest and craziest scene because all of us are so dominant. We were slapping, spanking, and trying to throw each other

down. No one wanted to give up rank. We were fucking like we had cocks. Janine's actually the first girl I ever took anal from. She DP'ed me with two lit candles with the hot wax pouring down my body. I had her spread open, fucking her with our pelvises smacking against each other. I still dream about that one!

Of all the films you've performed in so far, which one's your favorite? Island Fever 4. I was in Bora Bora, one of the most beautiful and tropical places in the world with my friends.

The many talented holes of Jesse Jane!

## SHOOTING STARS **JESSE JANE**

There were no lines and nothing to remember, just hot, passionate sex. Island Fever 4 is my idea of heaven.

Who is your favorite male performer to work with and why?  
Evan Stone. He's always been one of my favorites! Jean Val Jean is also one of my favorite cocks. It should be illegal for a man to be that fine. He makes me cum. I love watching

both of them fuck. Jean's cum also tastes really good.

Do you prefer "making love" or fucking?  
Fucking. I don't want to be slow fucked. All I want to hear from you is, "Fuck me harder bitch!" Yeah, that's my style.

What advice can you give men on how to improve their oral sex technique?  
Don't attack the pussy. Teasing is the key to oral sex on a woman. You want to caress her inner thighs, suck on the lips, slowly lick

her pussy, and blow on it. Our pussies are so sensitive. After that, suck the pussy clit and throw in some fingers. It's all about the tease and not the attack.

What is your favorite sexual position and why?  
I love reverse cowgirl because I like to be in control and on top. I dig in my feet for traction, arch back and fuck at my own pace. Just sit back and let me do all the work!

What are the biggest misconceptions people

have about you?  
They assume that I'll have sex with anybody at anytime and it doesn't matter. That's not the way I am. I'm very normal... a big dork in fact. I have morals. There are far more girls out there who have one-night-stands with people they don't know and have probably had sex with more people than I have. I'm careful and safe. I have my moments, but it's hard to get into my pants. I have friends that I keep on rotation. I usually re-fuck the same people. Really, I'm just a good ol' country girl.

Jesse, show us how you suck on a cock! Nice!

Do you masturbate a lot? Heck yeah! I have so many vibrators. I always have one on hand. I have broken so many. I masturbate everyday. Getting off in the morning helps me to wake up and masturbating at night helps me to relax. (laughing)

What do you fantasize about when you masturbate? I imagine I'm a school girl that's failing a class. I decide to work on the professor for extra credit. Yeah, he rips down my panties and fucks me across his desk. Sex should never be boring,

not even sex with yourself!

You've successfully made a leap into the mainstream market. Can you tell us about some of your mainstream experiences? I've done music videos. I'm on the Drowning Pool CD cover. I've also worked with Robbie Williams, Wakefield and got to be an extra on Starsky & Hutch. The top of my list though is when I got to play myself on Entourage. I got so much recognition for that. It was the coolest experience!

Do you have any sexual fantasies that you've yet to experience? Nope! (laughs)

What's your favorite way to get a guy off? I love to suck cock! I love blowjobs. Cocks are like a big fucking Popsicles that I can't get enough of. I'm known for giving good head. I think it's fun. I use my hands for the corkscrew method, sucking and jacking off at the same time. I also play with the balls, lick the tip of the dick hole, and blow on it because it makes it

harder, longer. I love when they jump and tremble. Fuck, I want a cock!

How can fans keep in touch with you? [www.jessejane.com](http://www.jessejane.com) [www.myspace.com/jesse-janerocks](http://www.myspace.com/jesse-janerocks) [www.digitalplayground.com](http://www.digitalplayground.com)

Any last words? My fans are so important to me and I love them all. So continue to look out for me because I'm not going anywhere. I'm having way too much fun and plan on staying put for a while... ♣

# "All in Goo Time"

The oversexed, slender brunette bim who proudly calls herself Pure Angel honestly ain't much of an angel at all, a fact that can be vouched for first-hand by her faithful fuck buddy Matt. This devilish duo snatches every opportunity they can to couple, often times dropping trou and going at it in well-populated places or inappropriately shagging on the sidelines during stuffy social situations. (There's a reason why Pure Angel doesn't find many wedding invites stuffed inside her mail slot...) However, this time around the happy humpers managed to get themselves a room before getting it on which led them to a lengthier and more seriously satisfying lay. Despite the absence of the undeniable charge to the privates that a public quickie provides, there's just no beating bumping uglies behind closed doors. While locked away in their love nest Ms. Angel was finally able to ride Matt's rock hard rod at her leisure until she came lustily, crying out loudly with tears in her eyes. Matt thoroughly enjoyed the ability to take his time and liberally baste her face with peckeroo paste instead of the standard splash and dash the he'd grown used to. All this proving that great things cum to those who can wait! ♣

## BLACK BY INJECTION 2

**STARRING:** Faye Runaway, Aurora Snow, Allison Whyte, Amber Rayne, Tee Reel, Julius, Nathan Threat, Jon Jon  
**DIRECTED BY:** Michael Raw  
**AVAILABLE FROM:** Dirty Laundry Pictures/Juicy Entertainment

### INTERRACIAL ANAL BUTTHOLE CREAM PIES

White assholes get filled up and creamed by big black cocks in this interracial anal offering presented by director Michael Raw. With his down and dirty style, four chicks get butt fucked to oblivion in no-frills settings that are first brought to life with narrated stories, then come to a gushing close with anal cream pies for everyone. The moral of each stories is quite simple, once you go black you never go back!

Without a doubt, the star of this production is Amber Rayne, a girl that is vastly underrated. Although her story is compelling and erotically charged, her infectious personality, and enviable cock skills earn her solid recognition here. In fact, very few girls in the industry are capable of rising to such anal extremes and excellence as Ms. Rayne herself. She proves the point quite well with a gaping butthole and a gaggingly good blowjob given to Julius.

Aurora Snow can also be counted on to demonstrate excellent cock riding skills when she bounces up and down in reverse cowgirl. The anal assault given to her by Jon Jon is equally as good and becomes exponentially better once he takes control of the action from underneath. Although great, Amber is still the anal queen to beat here.

Allison Whyte also has a go with Tee Reel. With a hot tease session and darling freckles that continue to redden as she gets popped, Allison gives up gobs

of gape. Her sloppy blowjob is very juicy, even though she's not capable of going balls deep just yet. She however beams in her scene when she spit shines Tee Reel's asshole before implanting his pole inside her pucker.

Faye Runaway ends the show by going bananas on Nathan Threat's tool in a

number of nasty positions before farting his cumload out and licking up the mess from his black balls. Whatta dirty girl!

**SUMMARY:** Aggressive anal assault on white butts delivered by a bevy of black cocks, ending with anal cream pies for all. It's raw! It's dirty! It's nasty! It's dripping from the inside out! ♣

## DO ME RIGHT!

**STARRING:** Alexis Texas, Lexi Belle, Alyssa Hall, Riley Evans, Emily, Rachel Sergio, Danny Mountain, Chris Johnson, Others

**DIRECTED BY:** Joe Loughlin

**AVAILABLE FROM:** Pink Kitty Video

### PUSSY PORKIN' / COUPLES SEX

Despite the inclusion of some of porn's super starlets, such as Alexis Texas and Lexi Belle, this movie fails to impress. Although the lighting and camerawork are adequate, the movie doesn't measure up to the solid porn that is available in droves. In fact, one might argue that it's pedestrian at best.

For starters, the show begins with Alexis Texas. Although her initial tease

session and interview is decent, she and Danny Mountain fuck on a narrow chair throughout. This proves to be problematic from the start because the performers simply don't fit. Positions become awkward, contrived, and a bit aggravating for the viewer. Trying to stay upright takes precedence over getting lost in hardcore fucking. Since we all know these are top-notch fuckers, it's almost as though they were set up for failure. What's up with that?

The three-way romp that makes Chris Johnson the meat in Lexi Belle and Alyssa Hall's love sandwich is easily the hottest scene in this production. Here, the girls really come to life and look amazing when they double lick his stick.

Riley Evans is up next and does a satisfactory job of stuffing Sergio up her holes, although she's been known to perform at much higher levels. Her

blowjob skills are quite solid however and her natural boobs are always a sight to behold.

When those two finish up, redhead Emily has a go with her guy. Their chemistry is rather good and her ride in reverse cowgirl is exciting to watch. Although sexy, her porcelain pussy turning beat red turns out to be the most memorable aspect about their scene.

Rachel ends the show by ridiculously dressing up her dude like a baby, complete with a diaper and pacifier. He's then tied to wooden posts and treated to a lame striptease. Really, this girl ought to be cock slapped for such a humiliating display.

**SUMMARY:** Basic porn that goes through the motions. They mix a few big stars with hokey sets and other mediocre performers. There's so much better porn out there. Next! ♣

**DIRECTED BY:** Patrixxx

**AVAILABLE FROM:** Black Ice

### HAIRY MUFFS / BLACK COCKS

With the velvet underground back in full force, director Patrixxx has compiled a crop of ultra hairy muffins and unleashed them on black studs that are more than eager to whack their way through the thick bush.

This wall-to-wall release begins with Bobbi Starr, which clearly is a statement in itself. She sets the bar exceptionally high and does an amazing job of teasing

the camera by webbing her fingers through her fluffy muff and pulling herself open to give us a glimpse inside. The action really heats up once Jon Jon slips his joint between her lips and then her hips. The hair pie frosting, is literally icing on the cake.

The next setup has Franco Roccaforte dangling his cock in front of Lena before trailing her puss with the remote control. He later swaps the plastic with his tongue, making sure to floss his teeth with her curly pubes. Once wet, he buries his banger inside her hole and doesn't pull out until she is dripping with cum.

With a well-deserved name, Helena Bush proves to be the hairiest of them all. Her hair pie is thick and luscious, puffing out about two inches from her skin. Wesley Nike doesn't seem to mind the mess and in fact has a good time

fucking it. What he doesn't do however is lick it, which would have made for an interesting visual.

Beautiful Kassey is up next. She clearly has the most attractive muff of the bunch. In fact, it looks as delicate as Chantilly lace. Watching her paw her way through it is quite erotic, while watching Wesley Nike slam it is even hotter.

The movie ends with Kid Jamaica trying to light a forest fire inside of Kira's coochie. After a decent blow session, they lock legs and grind their crotches together in a few heated positions until a faint spark ignites!

**SUMMARY:** With solid lighting and in adequate settings, hairy white girls get down and dirty with black cocks. The bushes are bangin' and the girls are fervent to get fluffed. ♣

## MILF FRENZY 4

**STARRING:** Raquel Devine, Darryl Hannah, Rucca Page, Sheila Marie, Cleo Gomes, Jay Lassiter, Igor Summers, Marcus London, Nico Stallone  
**DIRECTED BY:** Filthy Raul  
**AVAILABLE FROM:** Juicy Entertainment

**MAN HUNGRY MILFS / COUPLES SEX**

This wall-to-wall release, directed by Dirty Raul, features a bevy of solid MILFS. Although the quality of the production is only adequate at best, the sexual content holds enough volume to please fans of this genre quite nicely.

By far and away, the star attraction here is Raquel Devine. As is true for most of the projects she commits to, she proves that her MILF star burns bright when she masterfully fucks her way through Jay Lassiter. Her oral skills

are also second to none. She's quick to prove this statement by delivering a slobbery enriched blowjob that covers her body from naval to nose. Nice!

Rucca Page, another performer that is vastly underrated, also rises to the top when she opts for a little afternoon delight with Lassiter. With a powerful sex drive and an infectious enthusiasm that translates to the viewer, Rucca fills her hairy muff in a way that ought to earn her some fanfare recognition. Watching her squishy, natural rack wildly bounce on her chest is simply icing on the cake.

Also noteworthy here is Darryl Hannah. With such an uncanny resemblance to the mainstream star she's fashioned after, one has to remind oneself that she's not the genuine article! What she is however is a good fuck, as evidenced by her spirited ride in cowgirl when she saddles up

to take Marcus London for a gallop. He in turn seems quite fond of her aggressive style and rewards her handsomely with salty jizz bullets.

In addition, cover girl Sheila Marie definitely earns her spot on the boxcover when she fervently rides out the curves of Nico Stallone's Italian sausage. Reverse cowgirl, her best position, stays fully charged until her saucepot boils over with creamy cooze.

Not to be outdone, Cleo Gomes has a go with Igor Summers in the final bedroom set up. With a noticeable difference in their age, this combination is a decent example of hot older/younger action.

**SUMMARY:** Fans certainly won't be Horny older chicks fuck and suck in an adequate production that is on par with most other MILF releases. Nothing stand-out here, but it will do. ♣

## UP THAT LATIN ASS 2

**STARRING:** Mulani Rivera, Cinthia Santos, Cassidy Clay, Sarah Lopez, Jaslin Diaz, Bella, L.T.  
**DIRECTED BY:** L.T.

**AVAILABLE FROM:** Elegant Angel

### ANAL POUNDING / LATINA FLAIR

With the release of the second installment to his relatively new series, director/performer L.T. proves his unwavering lust for Latina ass. In a movie that boosts five highly charged sex scenes, featuring a legion of relatively unknown Latina starlets, L.T. works their holes from top to big bouncing bottom. The results are hot buttock action given by girls who look good taking it up the ass.

The tease sessions that begin each scene serve as a nice warm-up and

introduction to the well-stacked girls. Cover girl Mulani Rivera begins the show and is easily the sexiest seniorita of the bunch. Watching her warm up her bung with a dildo is a sight to behold that becomes exponentially better once L.T. switches it out for the real thing. From here on out, expect plenty of hot beef to inject into all of her holes.

When finished there, we find Cinthia Santos happily playing with her clit while watching porno at her desk. Although a titillating sight, the action really turns live once L.T. catches this banger bitch red-handed. What ensues is the best anal pounding featured in this production, given by a girl who really understands how to work her asshole in order to give the viewer an experience they'll remember.

Furthermore, the pancake stack and

rug munching session between Cassidy Clay and Jaslin Diaz has hot written all over it. L.T. seems to agree when he interrupts their pussy party by adding his sausage to the mix. Hungry for his meat, these girls slobber on his cock and are more than willing to take his pole in any hole.

Sarah Lopez and Bella follow up that performance with their scenes by playfully stripping for L.T. while he shakes his dick in their direction. When the fuckers finally converge, the ladies take L.T. for a powerful spin by giving up gobs of gash and gape. Hot!

**SUMMARY:** Decent camerawork and acceptable lighting captures deep anal action, demonstrated by enthusiastic Latinas who are willing to go the extra mile to get the job done right. We like them! ♣

## WELCOME TO BOOBSVILLE

**STARRING:** Gianna Michaels, Carmella Bing, Natasha Nice, Jada Fire, Jordan Kingsley, Marcus London, Eric Swiss, Jordan Lane, Kris Slater

**DIRECTED BY:** Jim Malibu

**AVAILABLE FROM:** Adam & Eve Pictures

### RACK RIDING / BOUNCING BOOBIES

With stronger lighting and better-appointed settings, this movie could have been an exceptionally better big boob release. What it does include however is a batch of floppy fun bags getting fucked in a no-nonsense style that big tit fans won't be disappointed by. Each scene is kicked off with some solid titty teasing before each babe is confronted by her dick du jour and screwed good and hard.

Gianna Michaels, a girl who is a beloved staple in the big tit genre, is one of the sexiest girls on display here. She begins the show on a high note by showing her melons with plenty of milk before Marcus London has them braced against his face and later bouncing in several heated positions. Although each display is hot, her blowjob skills really take center stage.

The action continues with Natasha Nice when she shoves her thick nipples into her mouth while Eric Swiss hammers her silky muff in missionary position. Once the mineral oil slathers both performers, it becomes a chore to stay upright on the slick furniture. They manage however, sealing their union with a creamy finish.

Carmella Bing, the naughtiest girl of bunch, really gives a standout performance when coupled with Jordan Lane.

Enamored by her heavenly hooters and singing her praises throughout, Jordan is rock solid the moment he meets Carmella and her girls. By far and away, their best contribution is actualized with grand boob-fucking action that titty fans just may tinkle over!

Jada Fire can also be counted on to play up her strengths to the camera. She practically tears Kris Slater apart when she unleashes her chocolate thunder and massive mammaries all over him. He successfully makes it to the end but may need a few days to recover.

Jordan Kingsley also donates her tits to the project with average results. After all, it's difficult for anyone to standup to the stacked starlets who came before.

**SUMMARY:** No frills tit fucking that includes top stars in the big boob market. Close... so close. ♣

**"Female Fornication"**

When classy carpet munchers Michelle and Mili Jay get together to get their girl on they don't *fuck* they *tryst*—and they do it often and deliberately. During these elegant encounters in which they nibble daintily on each other's nubs and gently toy each other's snatches with a richly glittering golden vibe, both Michelle and Mili Jay experience innumerable thigh trembling tiny O's that pop up in delightful effervescent waves like the bubbles in a glass of fine champagne. They love to kiss deeply after an especially delicious spell of labe lapping, pressing their full, honey glazed lips together as they swirl their tongues around and around in sweet, moist circles. Mili Jay cherishes running her fingers through Michelle's soft sandy-colored hair while nuzzling the nipples of her pert little breasts. Meanwhile, Michelle adores lightly tonguing Mili Jay's prefect pink clit while cupping her firm, round buttocks in her open palms. These Sapphic sweethearts wholly believe that the only secret to having truly satisfying sexcapades is to take the time to slowly savor every last swell and curve, nook and cranny of each other's molten hot bod. Well done ladies, what ruly rutting! ♣

# LEXINGTON STEELE

## MERCENARY PICTURES

In the hot seat today is Lexington Steele, a three-time Male Performer of the Year winner, and multiple recipient of numerous awards for erotic excellence. Today he gives us a candid look inside of his personal life, the success of his thriving production company, Mercenary Pictures, and his ingenious plans for the future. Get ready because the man of Steele is large, in charge, and isn't about to hold anything back...

### When did you first begin to dabble in pornography?

I started doing amateur porn in 1997 out of New York. I was only shooting 1-2 scenes per month. In 1998, I went to the AVN show in Las Vegas with some VHS tapes and magazine layouts to showcase that I could perform. When talking with directors and producers, those items gave me proof that, I could do the job well. Several people gave me opportunities in Los Angeles. By March of 1998, I decided to relocate permanently. I considered the move from New Jersey and New York to Los Angeles to be the big leagues. It's been over 10 years now.

### What was it like when you finally settled in Los Angeles?

Los Angeles is the major leagues for the adult industry. A strong male performer can shoot multiple times a day because there is enough work. I had about a year's worth of experience before coming to LA so I was comfortable in front of the camera. I had my feet wet with 1-2 scenes per month, but that was nothing compared to the demands of shooting 5-6 times per week, with tons of different directors, locations, talent. I was dedicated,

The master cocksman doing what he does best!

You can try all you want, sweetie,  
but you can't swallow it all!

focused, and able to handle all of those variables. A lot of new guys these days think they have what it takes because they've performed for online sites. It's a whole different ballgame!

**What would you consider "pro level"?**

When you come out here and shoot for actual movies that's when you've hit pro level. Most guys have to gain their experience through trial by fire. Lack of experience is what tends to kill off most guys early on. Your professional attitude and performance are very important. If you do well, directors and other performers will pass the word on. The same applies if you don't. From the start, I knew I wanted to do the best job I could in every scene and that's why so many people continued to hire me.

**What was your job before porn?**

I was an investment advisor for a major firm in New York. I worked in World Trade Center, Tower 2, for six years. So, had I still been in finance during 9/11 I would have been climbing down stairs or jumping out of windows to escape. My office was on the 34<sup>th</sup> floor. I would have been monitoring the Japanese Markets when the planes hit. Porn saved

my life. I could have done that forever but always had inclinations to join the adult industry. When presented with the opportunity I thought if it doesn't work out, I could always return to a career in finance. I decided to give it a shot. I was a high end professional already when a new window in life opened up for me. I went for it. I decided to chase my dream.

**How did the initial seeds of a possible pornographic career get planted?**

The broker that trained me was into the "lifestyle" which is a catch phrase for swinging. He invited me out to a party, which turned out to be a 19-on-one gangbang! When I walked in, all of the guys were lined up against the wall of the hotel. The woman was in the middle. Since I had only ever seen gangbangs on video, I decided to watch for a while before getting in line. That was my first experience. I didn't know anybody. Really, the big thing for me was "Can I do this?" There was no camera. Many guys might not have done there best with so many people in the room, but not me. I had a good time. Later I was introduced to more orgies. At one point, I was traveling to different

states to go to orgy parties. In 1997 is when I met the producer/director out of the Bronx.

**Have you always been a porn fan?**

Yes, I've always watched and enjoyed movies. As I watched movies, I began to pattern myself after my favorite performers, such as Tom Byron, Peter North, and Ray Victory in much the same way as children do with sport's figures. When I was younger, my buddies and I had a term we used called, "The North Face." That was referenced to a Peter North cum shot, which everyone knows is voluminous.

**When you were gaining your sexual style, were there any porn performers you tried to emulate?**

My ideal of a great performer has always been Rocco Siffredi. He really had an impact on how I performed in my personal life. The reason why I chose to emulate Rocco was due to the amount of energy he puts into every scene. He has always been exponentially more explosive than other performers. I've always felt that his scenes were much more exciting because of the undeniable energy. I got the chance to try and emulate a guy that was the greatest porn star

in the world. I'm not saying that Lexington Steele is an original. In fact, I've collected the best attributes from each of my favorite performers and added some traits of my own to become Lexington Steele. Now maybe the new breed of guys will try to give their girls a "Lex face!"

**So, what would you say is your personal style?**

My personal style is the exertion of maximum energy. For this, I stay in great shape so I'm able to perform at the optimum level for the hour or hour and a half it takes to complete a scene. When I came into the business, my impact was not only a size thing, because the industry had already seen guys with size like John Holmes, Peter North, Ron Jeremy. My impact is that I had size, women enjoyed working it, and that I put the pedal to the metal, which hadn't really been seen in American porn. My effect was dramatic. I will take girls to their limit but not beyond. I want her to perform at her maximum efficiencies without feeling overwhelmed.

**Who have been some of your favorite female performers to work with?**

Belladonna is my all time favorite. I think I did Belladonna's second or third scene

ever. We've been friends for quite some time now. Her body is literally perfect in my opinion and very few women can do what she can do in regard to video.

**How do you choose the performers that will star in your hit movies?**

I like to place some of my favorite girls, like Nyomi Banxxx, Missy Stone, and Sandra Romain, into as many movies that her look is applicable to. We only choose strong male performers who know how to execute a scene and get the most out of the female performers. They are the Performer of the Year type. I consider them our A-Team. Marco Banderas, Mr. Marcus, Erik Everhard, Jon Jon. I call them our "Top Guns." We actually have a serious showcasing these strong male performers. With my company, every one of our scenes has to be comparable to a Lexington Steele scene.

**What is one of the aspects that separates Mercenary Pictures from the competition?**

Every scene, whether I'm in it or not, will be comparable to a Lex scene. I understand that people are buying movies to see a particular girl and to see who she will be working with. This is how consumers make their decisions. I am confident that the public will come back to buy more Mercenary Pictures

movies because every scene is good. It's a value thing. The consumer dollar is well spent with my movies and therefore more valuable than the other movies they could possibly buy.

**When was Mercenary Pictures established?**

Mercenary Pictures was born in 2004. I had continued support from various people that every new company needs to succeed. In addition, everybody including buyers knew that we would be able to be successful because of my track record and popularity as a performer. I also knew how to manage money thanks to my financial background. My ultimate goal was always to be an owner. My fantasy was to own my own company and have a big cherry wood desk like I have now. I kept my mouth closed and my ears open. It's not a sprint. It's a marathon!

**Who do you owe some of your success to?**

My success has a lot to do with the good people I've surrounded myself with like Vince Vouyer, Mr. Marcus, and Mark Davis. I was trained by the best guys in the business. They helped cultivate me as a performer. Chris and Greg from Anabolic and Diabolic and James Alexander from West Coast productions were the guys that taught me the busi-

The three "L's" you need to know about butt fucking: lube, lube, and more lube!

ness side of things. They let me sit in with them when they talked business. Even today, I can call up a number of guys when I have a business question that I can't solve. They all give me knowledge and wisdom. They've saved the day on many occasions. Now at Mercenary Pictures, I see myself as a team captain and not as a boss. I understand that it takes an entire team to run this business successfully.

**How many different titles does Mercenary Pictures produce?**

We have 185 titles and counting. The premise for Mercenary Pictures is interracial sex. We have some titles that are interracial; some are black on black, all anal, new girl's series, POV, interracial POV, Black on Black POV, big boobs, big butts, etc.... We cover so many genres and niches because I want to ensure there is a Mercenary offering for anything the customer may be looking for. My goal is to be a one-stop shop. I come up with all the titles myself. I don't want my titles to lack creativity.

**What is your biggest accomplishment so far?**

My accomplishments can be measured in awards. I've been heavily awarded as a performer and director, but my greatest accomplishment is sustaining Mercenary Pictures. What you do today paves the way for tomorrow. I've also just wrapped the pilot episode for my new talk show called, The Lexington Steele Show. It features a mix of mainstream and adult personalities that will be available to a wide viewing audience through a major cable network. It's going to be an incredible show that will build a bridge to help better connect the adult and mainstream worlds. Some of the best experiences of my life have been because of adult. I've literally been all around the world. In fact, I have about \$10,000 worth of foreign currency in my passport just in case.

**What does the future hold for Mercenary Pictures?**

I want to continue to build a strong and independent label. The quality and caliber of my productions is what my company is based on. "The Pursuit of Excellence" is my company tagline. This will never change.

**What does the future hold for Lex?**

My future is bright. Beyond being a pornographer, I'm a businessman first. My company is my primary investment. Perhaps I'll write a book some day; although I don't believe my story is anywhere near finished. There is so much left to accomplish. I'm not the type of guy that takes time to smell the roses. I don't look back and appreciate what I've done. It's in that brief moment that your competitors may catch up with you. Instead of looking back, I choose to look forward. I'm going to keep my eyes on the prize. Like a true visionary, I never want to believe my own hype. I want to go down in history as a man that had made an impact on a multi-billion dollar industry. Finally, I'd like to kindly thank all of my fans for their continued support. ♣

## ASS FREAK!

I don't know what came over me. I was walking down the street and talking on my cell and trying to ignore all the guys who were looking at my ass. I mean, doesn't a girl have the right to wear tight jeans without everyone making her feel like a piece of meat? Am I supposed to wear a burlap sack when I go out? I have a great ass and I like the way it looks in my jeans. But the way guys' eyes were frying me I had to keep tugging my jacket down so it covered my butt a little more. Still the damn guys kept looking.

But then I noticed a very cute guy in tight jeans himself, walking up ahead of me, and I couldn't stop staring at him. He didn't seem to have a problem with anybody checking out his backside and he certainly didn't pull his jacket down to cover it like I kept doing with mine! And believe me, he was getting stares not just from girls but from guys too!

Anyway, we both ended up standing at the same stoplight and I couldn't believe it but I cut my cell conversation short and instead started talking to him! I didn't bring up

his butt, of course, but it was in the front of my mind. I wanted to put my hand on his ass in those jeans in the worst way!

We were near a Starbucks and luckily he suggested coffee, because if he didn't I would have! He told me he worked for a TV production company or something and I told him a little about my job in fashion marketing, but the best thing that came out of the conversation was when we were leaving the Starbucks and the doorway was crowded with people and I put my hand on his butt, real accidentally and casually, but not—if you know what I mean!!

The touch led to a smile from my new friend and then suddenly we looked at each other real deep and he kissed me. Without saying a word, I went to the curb and hailed a cab. I took him to my apartment, and we kissed in the back of the cab all the way there. When we got to my place, I pulled him to me and squeezed his butt through his jeans, just like he squeezed mine. Then I got on my knees and kissed his butt through the jeans while

## "OPEN WIDE!"

Carolina has found herself stuck in what is a really rather interesting conundrum. Her dashing dude Duke has a really big dick, as in, "holy shit I've never seen anything like it!" kinda big. Which is awesome, no doubt, but also poses a few problems especially since cute little Carolina is pretty much on the petite side. So these two lovers have had to find ways to work wisely with the awesome size of his wiener without causing poor Carolina's cunny to cramp up. One method of preventing such madness was stumbled upon by the ever-dutiful Duke during one particularly tricky afternoon of several aborted attempts to stick it in. He realized that if he settled down and pre-soaked Carolina's fuckholes before balling her, he could prep her for a pounding while pleasuring her at the same time. Score! From that day forward, prior to fornicating Duke takes care to warm up Carolina front to back with a well-lubed gadget and a few frisky fingers. This way he can get her cumming so hard that she won't mind where his monster Mr. Happy goes. And a good time was had by all!

taking his cock out of his fly! Soon I was sucking his dick, no hands style, moving my face back and forth on his nice big shiny tip and long shaft—and my fingers were free elsewhere to keep squeezing his ass!

Eventually I had to see his butt naked. We went into my bedroom and ripped off our clothes as fast as possible. We even managed to get some more kissing in while we were doing it, and he sucked my tits too and fingered my pussy. But by this time he truly understood I was really obsessed with his butt and so he didn't keep me from it. His butt was great in the nude, and I licked his cheeks and toyed with his buttocks while I kept licking his dick. He licked my ass too, but complained that I didn't give him as much of a chance to squeeze it in MY jeans as I had with his! That was true, and made me laugh! I promised to let him squeeze my ass in the jeans when we got dressed again.

I held onto his cock while I rimmed his asshole, and then I took his dick back in my mouth and sucked him until he blew a huge load all over my face. But of course I myself wasn't finished! So I got him down between my cheeks licking and sucking my buttocks just like I did his. He played with my pussy at the same time while I jacked his cock back to hardness. I came with his mouth between my cheeks, came really hard, and by that time he was stiff again and ready for more. I positioned myself in doggie style so he could fuck my ass, but I made sure to place him so that I could look at his bare ass in the mirror as he plowed back and forth doing me. We both came again only a few minutes later!

Well, I still don't like every Tom, Dick, and Harry staring at my ass on the street, but now I understand a little better about what goes through their horny heads!

## CHEATING BECOMES HER!

I didn't start out cheating on my husband, but when I discovered he was cheating on me, I thought, "Why should I give up a nice lifestyle just to get a divorce? Let him have his side pussy, and I'll have my side cock."

So there I was the other day, going to my lover Bentley's apartment in the early part of the afternoon. I was wearing my nice new red coat, and beautiful brown high heel boots that come up just under my knees. I'm vain about my pretty knees, even the backs of them.

I said hello to the doorman as I breezed in. In the elevator, I checked in my purse for the vibrator I'd brought along.

Bentley doesn't have to go to an office, like my husband. He works out of his apartment. He's always able to take a couple of hours off to entertain me, and himself.

We had a leisurely drink, catching up on what had been going on in both our lives since the last time we saw each other a week ago, and then Bentley kissed me and felt me through my silk blouse, and I knew he could feel my nipples instantly hardening in my lacy brassiere. I sat down on his lap, and I could feel his own hardness

through his trousers. Bentley's dick is one of the things that arouses me but also endears me to him. His instantly stiff cock is just adorable.

I undid my clothes quickly on the couch while Bentley stripped his. I took the vibrator out of my purse and showed it to him with my best devilish grin, clicking it on. He began to stroke himself.

I'd never played with a vibrator in front of a man before I'd met Bentley. He just liked to see a girl-and-toy show sometimes. I kissed the toy, and then

I moved it over my throat to the curves and swells of my breasts, and then down along my trim, gym-toned belly to my smooth pussy. I let the vibro linger at my lips, buzzing, and then I slowly ran it along my clitoris and pushed it inside. I lifted up my legs, parted my thighs wide, and Bentley stared as the toy went inside and the wetness of my pussy began to leak out. I could feel the trails of my juices sliding down near my asshole. I was staining the couch...

Bentley kissed me and told me to keep playing with the toy. He pulled my

nipples into his mouth while he ran his other hand along my inner thighs, and down to my knees. I love to feel a man's hands on my knees, they're one of my best erogenous zones. I shifted so he could caress the backs of my knees, too. I pushed the vibrator deeper inside. Bentley and I looked into each other's eyes and suddenly my crotch began to twitch and I came on the toy while I let out little squeals. For a sophisticated looking woman, I must sound pretty strange when I cum, because I always squeal like a virgin having her

first sex. At least, I squealed when I had mine, and squeal still.

Bentley wordlessly leaned over me as I took out the vibrator to make room for his meat. It still felt like I was cumming, and the moment his dick went inside me, I did cum again. I held onto his arms really tight and gritted my teeth while my pussy squeezed and jerked on his dick. But Bentley had superb control. Even with all that stimulation, he was going to fuck me at his pace. And I love to be fucked *after* I cum. There's some-

thing about it that makes me feel so much like a man's plaything. Luckily, I don't feel sore or sensitive after cumming, but energized—and ready to be used. I lay back and played with my tits while Bentley fucked me. I pulled at my nipples, wishing my tits were big enough so that I could suck them myself. Bentley put my legs up against his chest and my feet dangled over his shoulders. The sound of him banging me filled the room. I wanted his cum real bad. Suddenly I wondered if my

husband was fucking his girlfriend right now, and I wanted Bentley's cum even worse.

A moment later I got it. Bentley cums like it's always his first time: so thick, so creamy, and so much. I squeal like a girl, and he cums like a young guy. I was a gooey mess when he was done. Bentley and I make a good match! And if it wasn't for my husband cheating on me, I would never have met him.

Longtime gal pals June and Abby have always shared everything—from schoolbooks and clothes to sex toys and orgasms. Neither one can quite imagine what it would be like to get off entirely without the other. That's not to say that each of them doesn't wander off to enjoy a sexcapade or two on her own every now and again. June has herself a boy toy that she boffs every Friday and Abby makes a point of going out to blow assorted strangers several times a month. But, for the most part, this pretty pair prefers to hole up together and pat and suck and stick each other's bunny because they so deeply dig each other's company. Even on Fridays with her pussy full of real live cock, June can only reach climax after she recalls the amazing feel of Abby's hot little tongue lapping furiously at her swollen clit. And as far as Abby goes—whenever she kneels in front of a new friend to swallow pork sword while fingering her fun hole, she could very well rub her nub without no satisfaction unless she first fantasizes about June slipping a good vibe up her bum. These cunny cuties are sure super co-O-dependant! ♣

**AMESHA** Amesha loves showing off her body whenever she gets the opportunity to, and told us that *Club Confidential* is just the place to do that! "Nothing would turn me on more than imagining how many people would get to see me naked!" As for some other sexual fantasies of Amesha's? "I recently had my dream of getting two cocks come true. I was lying there in bed sucking off one as the other lapped up my pussy. The whole experience was unfuckingbelievable! It's something I can't wait to do again!" Well, maybe this time you will take pictures, Amesha? We would really, really, really appreciate that! Really!

# SHOW US YOURS!

Unlike some other mags we could mention, our readers' pics are all genuine amateurs – horny women just like you or your girl! Ladies, send us your pics – next month you could be the star of America's #1 raw sex mag!

**WE'LL PAY YOU \$50 FOR EVERY PIC WE USE**

and if you write us a letter about your latest sexploits, we'll use that too! Send us your pictures, and we'll send you a release form to sign. You could be our next amateur sex star!

Send your pictures to: **Club Confidential**, 210 Route 4 East, Suite 211, Paramus, NJ 07652-5103

**KELLY** When Kelly isn't putting down her deepest thoughts to paper, she's taking off her clothes on a stage in a room filled with horny strangers. "I love flashing my body in public," Kelly told us about her part-time job. "It always makes me feel naughty. My biggest fantasy is one day to have full-blown sex on stage in front of everyone. I've already used a vibrator there and gotten myself off, so a real sex show would be the next step! My dream involves three guys taking me over. I want them all to lick me and fuck me in every position!" Your future is very bright, Kelly!

**MANDY** *There are good girls, and there are bad girls. Mandy falls into the middle of the two somewhere. She says she likes all of the things a bad girl is supposed to like—teasing men in clubs, giving head, eating pussy, screwing in public, and of course, sending her nude pictures to us. With a list like that, we wanted to know what part of her is a good girl, then she calmly said, “Well that I like all that stuff, silly. Doesn’t that make me good?” No, that makes you our kinda girl, Mandy!*

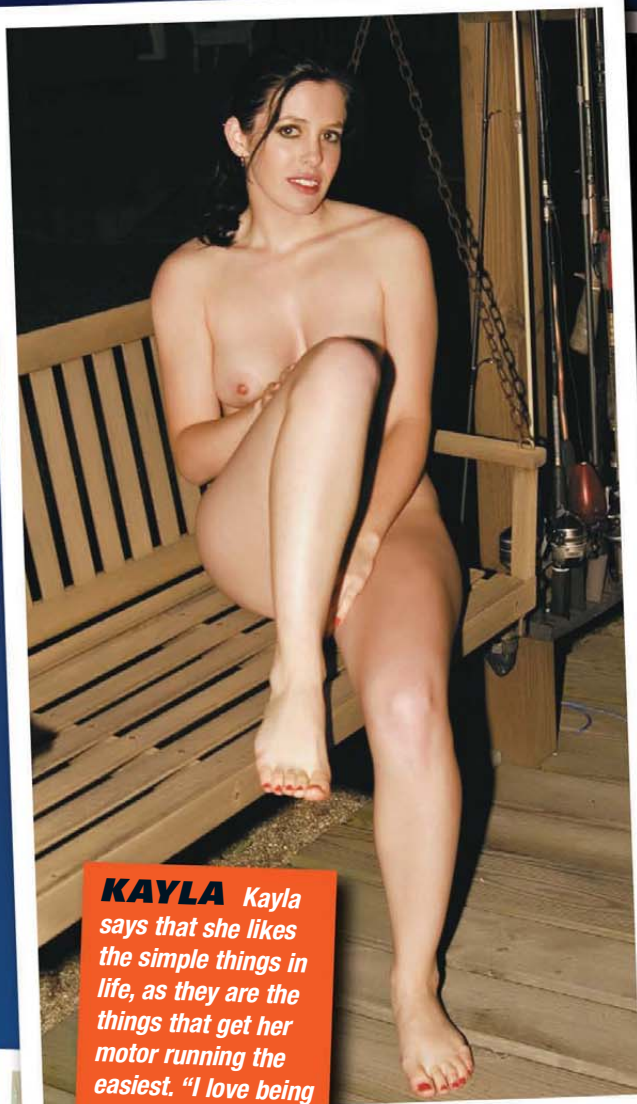

**SARA** Sara is someone who doesn't seem like the type to do this sort of thing. Her job is as normal as they come, and she looks nice and innocent enough, but when you delve deep down, she is a naughty girl. "The thought of all the guys masturbating thinking of me is one of the main reasons why I sent my pictures in," Sara readily admits. "I love having sex in public, and this is about as public as it gets!" Sara also loves anal sex, diddling her pussy while others watch, and her ultimate fantasy is to have sex while rock climbing, but she hasn't figured that one out yet.

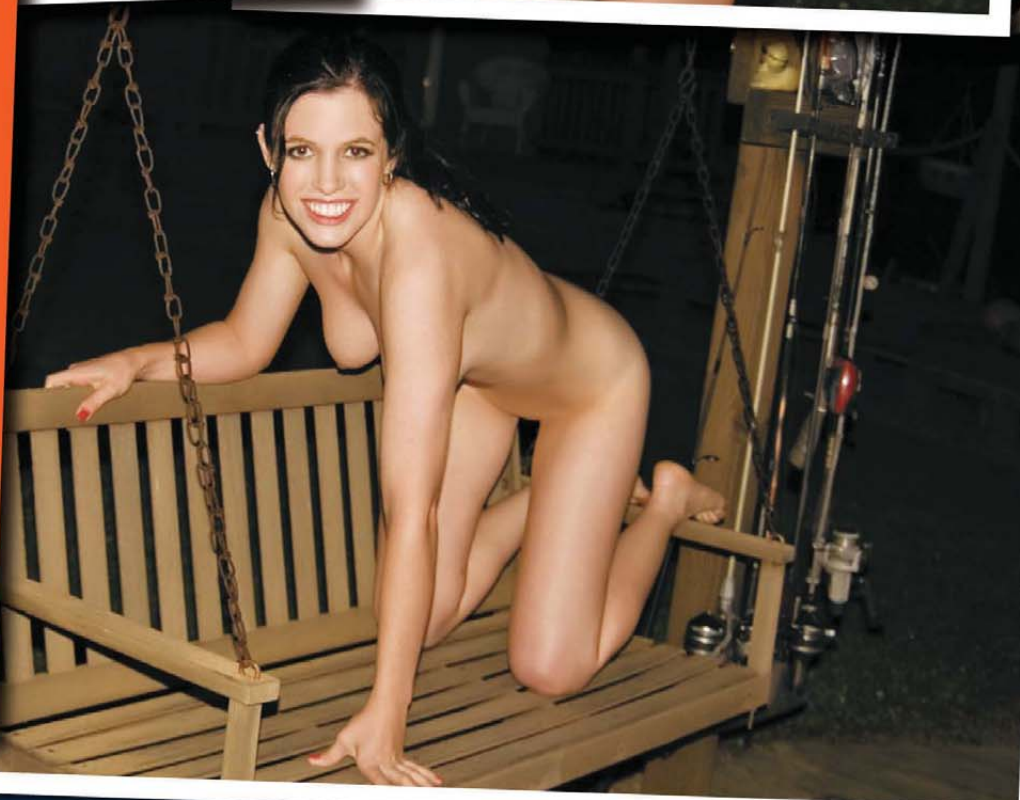

**SIDNEY** Leggy lovely Sidney says she loves at playing the good girl and bad girl. "It makes me so wet playing the slut," she explained, "but it makes me even hotter being a good girl just waiting to be corrupted by a hot guy or girl. I got so turned on being bent over and fucked from behind, or having my legs spread wide with a tongue eating my pussy until I cream. I'm still hoping that I get to experience both feelings at the same time. You have no idea how many times I've played with myself and cum to that picture in my head! I think I'm gonna make it one more!"

**KAYLA** *Kayla says that she likes the simple things in life, as they are the things that get her motor running the easiest. "I love being kissed deeply and intensely. I love being rubbed down from head to toe. I love having a nice fat tongue slowly going down on my pussy. I love watching hot sweaty cowboys working. I love cute married men. I love wearing almost nothing in public and teasing someone I know that is watching. I love giving hand-jobs and blowjobs. You know what? Come to think of it, I love anything that's closely related to sex!"*

## "CUMMING FOR CUSTOMERS!"

When I became a topless entertainer, I told myself I was just doing it to pay off student loans. I didn't expect to like it. I was one of those snooty college girls who looked down on guys who went to strip clubs, and was ready to simply use them to get their money. But something clicked for me when I met the right customer. I still remember his name: Lester. He was an older guy. The sweet grateful way he looked up at me when I buried his face between my large breasts gave me a thrill I didn't expect.

I felt differently after that night. When I went home and looked at my breasts, I realized that I enjoyed selling them to nice guys for the price of a dance; twenty bucks to experience my breasts. Feel them with your forehead, or your nose, or your eyes, or your lips. Not your hands—that's not allowed, the bouncers will rearrange your anatomy—but there are plenty of sensitive nerves in a man's face to enjoy my gorgeous breasts.

And that's what I often think about as I masturbate at night: about Lester and all the Lesters who have come after him, gentle guys who are hungry to spend time with my bosom, and who pay me lovely money to do so. As I squeeze my own nipples I can almost smell the crispness of new bills like it's perfume, and I cum. **"Chesty Rachel" - Texas ♣**

*Whores Doing Chores*

There's just something super about a threeway, especially when two of the three involved are dizzyingly bodacious blonde babes. It's not exactly easy to look as amazing as Natalie and Amber do—natch—so these pleasing pleasure seekers have to constantly keep on top of their upkeep in between rolls in the hay. Sometimes, though, things have a mysterious way of working out wonderfully. In this sultry scenario sex outside in the sunshine seems particularly well-suited for this tawdry trio—in fact, by doing these broads in the daylight Robin is actually assisting them in the tackling their to-do lists. While our hero gets busy thrilling two birds with one bone by first sinking his manhood balls-deep into one squealing slut and then the other, the hot high-maintenance nymphs are getting tons accomplished for themselves. By getting naughty in nature Natalie and Amber are able to bleach out their long, silky locks *and* freshen up the golden glow of their all-over tans the entire time their asses are being tapped in addition to having fun, cumming like crazy and gulping down thick goeey mouthfuls of their recommended daily allotment of protein. Now that's some magnificent multitasking! ♣
